

CONCERT SEASON 2023

'Where beautiful music lives'

A message from the Artistic Director

*"Dear Friends and fine music lovers,
Welcome to the Queensland Baroque Orchestra's 2023 concert season. It's my great pleasure to join you again as our orchestra brings Brisbane the finest authentic performances from the seventeenth and eighteenth centuries all on period instruments.*

In 2023 Queensland Baroque is proud to present to you some of the finest international and Australian baroque instrumental soloists.

Come and enjoy the supreme mastery of some of the greatest composers from one of history's 'Golden Ages' of music. I've carefully handpicked works which appeal to both tradition, and rediscovering some lesser known musical gems. I know you'll love this special collection of early music in 2023.

With all this and much more, audiences are sure to find that Queensland's only dedicated period instrument orchestra, will take you on a musical journey that will exhilarate the senses."

A handwritten signature in black ink that reads "John Foster". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
